

Group Bookings at El Nido

Let us host your retreat!

El Nido is an ideal spot for bringing smaller groups together with outdoor gathering space and nearby conveniences, while offering personal space for focus and down-time.

Our six cabin units sleep:

- 6 guests in individual cabins
- 20 guests using every available bed and sofa spot

All cabin units have their own kitchen, bathroom and patio set. Cabin 6 fits eight around the dining table, with an adjacent living room area and patio seating for overflow. The cabins are centered around a motor court, with picnic area and lawn.

Our camping area accommodates:

- 3 small vans or tents on camp lawn
- 3 small tents in walk-in sites

Campers share a picnic area and off-grid toilet, sink, and shower. Camping is set apart from the cabin motor court in a more wooded area.

The property features a picnic/bbq area and lawn, a large fire pit, custom Finnish-style sauna, and four acres for wandering.

Town square is a couple of blocks away, where our friends have options for meeting and workshop space, casual or upscale dining, and larger event venues.
